Rivers West District for Sport, Culture & Recreation Culture Days Expression of Interest Deadline to apply: July 28, 2018

Culture Days takes place September 28-30, 2018 and SaskCulture is offering one community within Rivers West District the opportunity to undertake a Culture Days activity and hire a local artist or cultural worker (Animateur).

What will the Animateur do?

The Animateur, an artist or cultural worker, works with community organizers to identify and deliver an interactive cultural activity that would engage a range of community residents with a goal of building new audiences for the cultural activity. In the past, Culture Days Animateurs have engaged people in painting parties, drum-making, interactive dance, theatre workshops, clay workshops, meme-making, photo art, video journals, and more. The Animateur will present one or more workshops, or various sessions, over the course of the Culture Days weekend, that are free and open to the public.

Why is this an opportunity?

SaskCulture wants to encourage communities to engage residents in cultural activity, so it will pay an honorarium of \$1,000 (inclusive of all costs) to a Saskatchewan artist or cultural worker to deliver an interactive, free, hands-on cultural activity with a goal of building new audiences in one community per District. SaskCulture would also take the opportunity to connect in person with community organizers to help them connect to cultural funding opportunities into the future.

What does the District need to do?

- Be a liaison between SaskCulture and Animateur
- Assist communities in project development and marketing
- Be financially responsible for the funds

What does the community need to do?

A community would need to identify a community organizer who would:

- Help identify the appropriate artist or cultural worker;
- Be a liaison to the Animateur, particularly if they are from outside the community;
- Book a venue;
- Register the activity on the Culture Days website at www.culturedays.ca;
- Promote the Culture Days activity or activities to the community at large; and
- Provide a brief follow up of how many people attended and photos, if possible.

Who can apply?

Any community that has not received funding for Culture Days from SaskCulture in the past five years.
