Government of Saskatchewan: Community Rink Affordability Grant

Fulfilling the platform promise to communities around the province, the Government of Saskatchewan announced that registration for the Community Rink Affordability Grant program (CRAG) will officially open on Monday, December 14, 2020, to provide funding for community-owned indoor skating and curling rinks. The program will provide \$2,500 a year per indoor ice surface to help cover the costs of operating rinks in villages, towns and cities. First Nations, schools, and non-profits are all eligible and encouraged to register for the grant. The grant may be used to offset the cost of rink operations, minor capital upgrades or to outfit the facility with COVID-19 related expenditures. It is expected that more than 600 ice surfaces in nearly 400 communities will be eligible to receive this support.

SaskSport: Parasport Equipment Grant & Parasport Club Development Grant

The costs of specialized (adapted) sports equipment for people with a disability in sport is a significant barrier to their participation. This grant program will assist in the purchase of adapted equipment which meets manufacturer's qualification standards for disabled sport participation/competition. The costs of starting new sport clubs for people with a disability at the community level is high. This program is designed to support new developmental programs in communities or the expansion/enhancement of existing programs (e.g. integration of athletes with a disability in programming, new age categories). In either case the goal is to increase participation opportunities for people with a disability.
